Specialty Teas

Earl Grey

Ceylon, Oolong and Darjeeling estate tea leaves are lightly flavored with Oil of Bergamot, and lavender adding a unique twist to a popular favorite.

Imperial Green

Crisp, clean green tea with a slight spice.

English Breakfast

A blend of robust black teas in the English style.

Chai

Aromatic notes of vanilla, ginger, cinnamon and nutmeg blended with black tea.

Decaffeinated Teas

Peppermint

Peppermint is the only ingredient here. Once reserved for elusive use in cakes and candies, the cool freshness of pure peppermint is yours to enjoy in this comforting brew.

Chamomile Flowers

A soothing and mild whole flower tea.

Ginger-Lemon

Three varieties of Tulsi (Krishna, Rama and Vana) with ginger and lemon myrtle to create a delicious tartness with a kick of ginger spice.

Roobios African Red

A unique, naturally sweet taste with hints of toffee, cherry, and vanilla.

French Press Coffee

Sumatra

This coffee has a well-deserved reputation as a full-bodied, syrupy coffee w/ sweet, soft acidity

Ethiopian Yirgacheffe

Distinct acidity, floral notes and a fragrant aroma w/ a strong and slightly sweet flavor

Kenya AA Gatina

This coffee from the Nyeri region of Kenya has a refined, winey acidity balanced by a full body

Guatemala Antigua Peaberry

This is a bright, zesty coffee w/ distinct flavor; our lightest offering. (available decaffeinated)
